

The simplest solution is still the best solution.

Voss Medical Products and its subsidiaries (VM Positioning, VM Cardio, and VM Specialty) have been manufacturing disposable surgical devices for over 30 years. Our products include the Voss PronePositioner™, The Voss Supine Support, the Voss Cardiac Leg Support and the Disposable V-Scope™. Now, we are introducing a disposable surgical foam line for obese patients.

NEW:
**DISPOSABLE
POSITIONING
DEVICES FOR
OBESE PATIENTS**
